

It's been a couple of years since we made this trip, so we had some time to make it better than ever. We will be seeing at least 2 shows in Lancaster every dinner is included in this great trip, and I mean that great Mennonite, and Amish cooking. We will also be going to the Hershey factory where you will experience the opportunity to tour and possibly make your own candy bar. We are really looking for a great trip and wonderful time. As you can see above we will be seeing the newest show at Sight and Sound Theater. Sight & Sound Theatres invites you to experience the greatest rescue story of all time! JESUS is the action-packed musical stage adventure that takes you on a miraculous journey alongside the most famous person ever to walk the earth and the everyday people whose lives he changed forever.

So, don't miss this opportunity to see this in its first year and it's only here for a limited time. Come and go with us as we see the many sights and tour the country side. For those who have not been with us before we will go to the Mennonite welcome center to watch a couple of movies and experience the Tabernacle like never before this was a highlight our last visit and many wanted to make it another stop again. There is too much to list here but come and see the wonder of it all.

Price includes Hotel, 2 shows, breakfast at hotel, 4 dinners including Gratuities, taxes, and all tours taken.

We will also be going to the Kitchen Kettle village along with many of the other roadside stands and experience many of the areas farms on our tour of the countryside. I really enjoyed snacking at many of these stops just to get a taste of the many different and wonderful treats that have been made. We will not run short of things to do in this wonderful area of the country so don't miss out on a trip where you will get all you paid for and a little more.
