

Myrtle Beach Christmas Shows Jubilee Tours November 7-10,

2018

Our annual trip to the beach will be here before you know it and it will be a blast as always. We will be staying at Monterrey Bay Suites once again where you can watch the sun rise over the ocean and onto the glistening sand. Every morning we will enjoy a great breakfast at the hotel. While in the evening we will have a wonderful dinner and show.

We are leaving time for you to swim in the pool, or get in the hot tub, walk on the beach or just relax. We will as always take some time for the outlets and if you have some extra money I can give you my sizes. We eat dinner at the K&W Cafeteria, Captain Benjamins all you can eat buffet, and at Pirate's Voyage. Our shows will be The Carolina Opry, Alabama Theater, and Pirates Voyage. If you have never been to the Christmas shows they are a special treat. I was so amazed this year as they all gave tremendous focus to the birth of Christ, and the true Christmas story. I know that you will receive a special blessing from these shows so please come and make this a trip one to remember.

We will leave early on That Wednesday Morning stopping at a Hardee's on the way down (Dutch Treat). Also, all lunches are Dutch.

Dinners and shows, during week are included along with all taxes and Gratuity.
