September 14th, 2018

On our way, again to the BALLGAME & SunTrust Park. September 14th, 2018

This will be a great time at the ballpark as always, and this will be right at the playoffs. We have once again picked a time when the weather should be great and our seats are covered to help even if it does rain some. As long as they play we will be there. So, come with us out to the ball game and we will bring the Cracker Jacks. We have the same seats for both games so relax and enjoy the afternoon. We have one row with no steps and the Braves organization will take those with walking problems (NOT EVERYONE) up to the stadium from bus parking. However, we will need to know in advance of leaving of any handicaps. Once again, we will leave from Ingles parking lot at 3pm and return after the game. This was a big hit last year with folks and we know it will be again. For our super special between these 2 games if you sign up for both at the same time we will give you a $10 discount which will be taken off the second game at the time you pay the rest of your balance.

The deposit for this game is $25 which is due at the time you reserve your seat, and the remainder is due at August 1st. The Braves organization forces us to give them a final head count 45 days in advance and a final payment at that time. Don't wait till the last week or day to sign up do it now so you will be sure to have a seat. Deposit is non-refundable for this game after August 1st. $50 per person is total price before any type of discount.
