

## The Craftsmen's Fair & The Inn at Christmas Place October 11<sup>th</sup> & 12<sup>th</sup>, 2018

These were a great last year and we expect them to be again. We hope to arrive early enough for a little shopping at Tanger Outlet and, this year we have an incredible deal for you. We have secured reservations for "The Hatfield McCoy Dinner Feud" along with the "Smokey Mountain Opry". Thursday evening will be incredible, we are able to experience the laughter and great food of the dinner feud along with the music show at the Smokey Mountain Opry with all the music and laughter there also. We will once again be staying at "The Inn at Christmas Place". Which, in my opinion, is an event all on its own. This beautiful Hotel has the spirit of Christmas all year long. Decorated on every floor and hallway beyond belief and the decorations are changed yearly, so, if you went last year it will be completely different this year. On Friday morning we will enjoy a scrumptious breakfast at the Inn and then leave mid-morning to head up for "The Craftsmen Fair" at the Gatlinburg Convention Center. We will have time to spend the day at the fair and around Gatlinburg. We will be returning late on Friday night. But, you will be able to sleep in at home on Saturday Morning. This trip is packed full of goodness and is low calorie well unless you eat too much.
