

## Jubilee Tours April 27<sup>th</sup>, 2019

Jeff Allen is in his fifth decade as a working comedian. You may have seen him on Comedy Central, VH-1, Showtime, TBN, CBN, Family Net and numerous other television networks. He can be heard regularly on SiriusXM's comedy channels, also Pandora and Spotify. He has performed for our troops on aircraft carriers and ships in the Indian Ocean. Look for him on the CRTV sponsored tour in 2019 titled, "Make Comedy Great Again Tour" and on the fastest growing comedy internet sensation, Drybar Comedy. Jeff has also produced and starred in his own sitcom pilot for Castlerock Television and in the critically acclaimed films, "Apostles of Comedy."

If you've been on our bus then you have heard this guy and he is worth the time and the money to go see. When I found out he would be at NarroWay theater for a special concert then I knew I was going and then I thought I bet some others would like to come also. He talks about the family, and has humor in every area, and he doesn't have to use foul language in order to make you laugh. So, you have a choice of going or staying but you are going to miss a great night if you stay behind. So, come on and let's go. I looked around and almost set up going to a restaurant instead of eating at NarroWay but, their food is always great and there was no way I could get us in a restaurant for the price provided. Menu is listed below.

**Price Includes Meal at NarroWay Theater.**

Come and go and you will laugh until you hurt. We need a little Joy in our lives.
